

BOG AND MARGINALS

Plants for water & moist areas

Bill Hendricks
Klyn Nurseries, Inc.

What are *Marginals*? This group of plants grows happily in several inches of water or in the muddy area at the water's edge.

Marginal Plants

Acorus calamus	Sweet Flag
c. 'Variegata'	Variegated Sweet Flag
g. 'Ogon'	Ogon Japanese Sweet Flag
Butomus umbellatus	Flowering Rush
Caltha palustris	Marsh Marigold
p. 'Double Gold'	Double Gold Marsh Marigold
Equisetum hyemale	Horsetail Rush
Eriophorum angustifolium	Cotton Grass
Euphorbia palustris	Spurge
Glyceria m. 'Variegata'	Variegated Manna Grass
Houttuynia c. 'Chameleon'	Chameleon Houttuynia
Iris pseudocorus	Yellow Flag of Water Iris
p. 'Variegata'	Variegated Water Iris
versicolor	American Blue Flag
Louisiana Hybrids	Louisiana Iris
Juncus effusa	Common Rush
e. 'Unicorn'	Unicorn Spiral Rush
glauca	Blue Rush
Menyanthes trifoliatus	Bog Bean
Myosotis scorpioides	Water Forget-me-not
Pontederia cordata	Pickeral Weed
Ranunculus flammula	Spearwort Buttercup
Sagittaria latifolia	Arrowhead
Saururus cernus	Lizard's Tail
chinensis	Chinese Lizard's Tail
Scirpus americanus	Three Square Rush
albescens	White Rush
t. 'Zebrina'	Zebra Rush
Spartina p. 'Aurea marginata'	Cord Grass
Typha angustifolia	Narrow-leaved Cattail
minima	Miniature Cattail

What are *Bog Plants*? These are plants that grow in the moist soil at the water's edge, but not permanently submerged in water. Many other moisture loving plants grow

in ordinary garden soil, but reach their full potential from the benefit of constantly available moisture but may need some drainage.

Bog and other Waterside Plants

Perennials for moist soils:

Ajuga reptans and cultivars

Aruncus dioicus

Astilbe species and cultivars

Eupatorium fistulosum

Filipendula purpurea

Hemerocallis cultivars

Hibiscus moscheutos & cvs.

Hosta cultivars

Iris kaempferi and cvs

siberica cultivars

Ligularia species and cultivars

Lobelia cardinalis

Lysimachia nummularia aurea

ciliata 'Firecracker'

punctata 'Alexander'

clethroides

Peltaphyllum peltatum

Petasites japonica 'Gigantea'

x 'Hybrida'

Polygonum bistorta

Primula japonica

Rodgersia species

Verbena hastata

Vernonia noveboracensis

Bugleweed

Goat's Beard

Meadowsweet of False Spirea

Joe Pye Weed

Meadowsweet

Day Lilies

Giant Hibiscus or Rose Mallow

Plantain Lily

Japanese Iris

Siberian Iris

Ligularia

Cardinal Flower

Golden Moneywort

Firecracker Fringed Loosestrife

Alexander Variegated Loosestrife

Gooseneck Loosestrife

Umbrella Plant

Japanese Butterbur

Hybrid Butterbur

Fleeceflower

Japanese Primrose

Rodgersia

Blue Vervain

Ironweed

Ferns for moist soils:

Adiantum pedatum

Athyrium filix-femina

thelypteroides

Matteuccia pennsylvanica

Onoclea sensibilis

Osmunda cinnamomea

regalis

Maidenhair Fern

Lady Fern

Silvery Spleenwort

Ostrich Fern

Sensitive Fern

Cinnamon Fern

Regal Fern

Shrubs for moist soils:

Aronia arbutifolia and cultivars

melanocarpa and cultivars

Red Chokeberry

Black Chokeberry

Azalea arborescens
 periclymenoides
 vaseyi
 viscosum
Calycanthus floridus and cultivars
Cephalanthus occidentalis
Clethra alnifolia
Cornus alba and cultivars
 amomum
 sericea and cultivars
Hamamelis vernalis
 virginiana
Hypericum kalmianum
Ilex verticillata and cultivars
Itea virginica and cultivars
Lindera benzoin
Magnolia virginiana
Salix species
Sambucus canadensis
Vaccinium corymbosum
Viburnum cassinoides
 dentatum
 nudum
 trilobum

Sweet Azalea
 Pinxterbloom Azalea
 Pinkshell Azalea
 Swamp Azalea
 Sweetshrub
 Buttonbush
 Summersweet
 Siberian Dogwood
 Silky Dogwood
 Osier Dogwood
 Vernal Witch Hazel
 Common Witch Hazel
 Kalm's St. Johnswort
 Winterberry
 Sweetspire
 Spicebush
 Sweetbay Magnolia
 Willow
 Elderberry
 Highbush Blueberry
 Withrod Viburnum
 Arrowwood Viburnum
 Possumhaw Viburnum
 American Cranberry Viburnum

Trees for moist areas:

Acer rubrum
 saccharinum
Aesculus glabra
 octandra
Alnus species
Betula nigra
Carya cordiformis
 illinoensis
 lacinosa
 ovata
Chamaecyparis thyoides and cultivars
Larix species
Nyssa sylvatica
Quercus bicolor
 michauxii
 palustris
Salix species
Taxodium distichum & cvs.

Swamp Red Maple
 Silver Maple
 Ohio Buckeye
 Yellow Buckeye
 Alder
 River Birch
 Bitternut Hickory
 Hardy Pecan
 Shellbark Hickory
 Shagbark Hickory
 Eastern White Cedar
 Larch
 Sour Gum
 Swamp White Oak
 Swamp Chestnut Oak
 Pin Oak
 Willow
 Bald Cypress
